POLITE REQUEST

If you are in charge of a dog at the time it fouls, you are responsible for cleaning up after it.

Even if you don't know your dog has fouled, or don't have a poop scoop, it is no excuse. You should always make sure to bring along the means to clean up after your dog when you take it outside. Once you have cleaned up the dog waste, you can put it in any ordinary litter bin, as long as it is securely wrapped.

VE DAY CELEBRATIONS

The council are busy behind the scenes putting together plans for the VE day celebrations which we will be sharing with you over the next few weeks so.....
